**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need choices and fair competition. My internet provider is like a neighbor who you can count on. They are independent and look out for my interests. They provide GREAT service for both phone and DSL that I depend on for work. They are not a conglomerate only thinking of investors and the bottom line. Please keep independent internet access available. Do the right thing for the consumers. Please.
